To,

The Hon'ble
The Chief Secretary to Government
Bangalore

Sir,

I have the honor to state, that one Venkatramana Rao of the 1st Assistant Commissioners' Office was, owing to his defective sight, retired from service with effect from the 16th July 1895. At the time of his retirement he was only 52 years of age; and no medical certificate was obtained by the Assistant Commissioner. This omission was pointed out to him and he was called upon to furnish the necessary certificate, in this office Cyadi No: 14, 19 dated 12th December 1900 but the Assistant Commissioner sent a reply stating

that the said peon was dead and so nothing could be done in this respect.

2. On behalf of the deceased peon an application for gratuity was forwarded to the Comptroller without a medical certificate who in his memo No. 746 dated 20th May 1901 stated that orders of Government were necessary before he could audit the same. I therefore request that you will kindly obtain Government sanction to the gratuity claimed in the application.

3. The correspondence ending with the Comptroller's reference quoted above together with the application for gratuity are submitted for reference and obliging return. The applicant's service list and the Last Pay certificate also accompany.

4. Regarding the unordinate delay in the submission of these

I owe explanation seems necessary.
The correspondence was misland
in this office in the year 1901 and
was altogether lost sight of owing
to frequent change of hands.
It was brought to my notice by
the Comptroller in his docket No.
Le 725 / F.12.607 dated 11th February 1904
(a copy of which is also enclosed
for reference). A thorough search
was then made and the Corres-
pondence was found among
unsorted Papers. Hence a delay
of 3 years has been caused in the
disposal of this matter. Due
notice will be taken of the conduct
of the officials who mislaid the
papers.

I have the honor to be
Sir
Your most obt Servt.

Letter No 704 dated the 9th June 1904 from the Deputy Commissioner of the Mysore Dt — Soliciting Sanction to the grant of gratuity to Venkatramana late peon of the First Asst Commr's office

Order thereon No M. 264-5 S&A 12-'03 dt 14-7-'04.

Venkatramana was retired from Service with effect from the 16th July 1898, when he was only 53 years' old, on account of alleged defective sight, without his incapacity for further service being established by a medical certificate as required by the rules. A delay of nearly two years and six months was allowed to elapse before a gratuity application was actually prepared, and

when it was forwarded
to the Comptroller for verifica-
-tion and report, he
pointed out the irregular
way in which the
pew had been retired
and required the sanction
of Govt before he could
report upon the case
for an Invalid gratuity
in the absence of ~~the~~
~~Necessary~~ medical
certificate. In the
meantime the pew
died and it became
impossible to obtain
any medical certificate.
On its return by the
Comptroller, the case
was completely lost
sight of for another
three years and it is
now sub^d for orders.
Govt observe that the
delay is ~~very~~ inexcusable
and hope that the
Dy Comm^r will visit
the officials responsible
for this extraordinary delay
with severe punishment.

2. It was very irregular to have retired the pens whose age was less than 55 years without a medical certificate. As it is, however now too late to mend the mistake committed ~~in retiring the pens~~, the Govt have no alternative but to authorize the Comptroller to report upon the case for an Invalid pension or Gratuity to which the pen was entitled ~~without the requisite medical certificate~~. The papers are accordingly forwarded to him for early verification and report.

3. The Officer that made this mistake should be cautioned to be more careful in future
